

HLTPAT005 - Collect Specimens for Drugs of Abuse Testing One Day Course

Introduction

SRTA Life & Rescue is a Registered Training Organisation number 45278 registered with the Australian Skills Quality Authority. SRTA Life & Rescue is proud to offer training in HLTPAT005 - Collect Specimens for Drugs of Abuse Testing.

Course Description

This course provides learners with the skills and knowledge required to Collect Specimens for Drugs of Abuse Testing. This course is designed to meet the requirements from the HLT Health Training Package release 3.0.

Learners will understand how to take samples safely and effectively and ensure compliance to legislation & company policies and procedures ensuring chain of custody is followed

This course is essential for people who are required to take samples from persons in the workplace for further laboratory testing

This course prepares learners to undertake the assessment to obtain a Statement of Attainment HLTPAT005 - Collect Specimens for Drugs of Abuse Testing.

Mode of Delivery

Delivery of this course will be classroom based blended with practical activities.

Assessment Summary

The learner will be assessed by demonstrating procedures applicable to this unit. They will also be required to answer a number of written questions regarding their actions and theoretical application of knowledge. The assessment will also be part of a simulated activity set by the assessor.

This assessment must be conducted by an SRTA Life & Rescue assessor and must be completed in the workplace or in another environment that accurately simulates the workplace. The assessor is to actively set tasks for the learner and must observe these tasks being performed.

To standardise the application of this assessment, the assessment tasks (performance evidence) are based on those specified in the Unit of Competency HLTPAT005 - Collect Specimens for Drugs of Abuse Testing, and those of the HTL3 Training Package.

The assessor will use an assessment instrument mapped accordingly to the assessment requirements of this Unit of Competency.

Assessors will apply an assessment procedure to ensure you are ready for the assessment and have the right resources and equipment to achieve the right standard.
